CATALOG NO. 65

HORN

TRADE MARK REGISTERED

CHATTANOOGA SADDLERY COMPANY, INC.

Dear Customer:

We are pleased to present you with our NEW NO. 65 Catalog, featuring numerous new saddles and riding equipment by popular request.

ALL RIDING EQUIPMENT PRESENTED is made by expert craftsmen with 10 to 45 years experience in saddle making. We have incorporated your ideas and have presented only the most popular saddles being requested by YOU, our customer. If you fail to find a style listed which is in demand, please write us for a quotation.

All Orders will be filled promptly and accurately from a stock that is maintained on all numbers listed within these pages. Please allow ample time for custom and special orders.

Your patronage and friendship over the years is regarded with deep concern and appreciation. We sincerely hope that you will continue to favor us with your patronage in the years ahead.

A cordial invitation is extended for you to visit with us at our factory and city, which is famous for its historic sites and is known internationally as the home of BIG HORN SADDLERY.

Sincerely yours,

CHATTANOOGA SADDLERY CO., INC.

J. E. (Jim) Watkins, President

Big Horn Saddlery is guaranteed against all defects in workmanship and materials. All Big Horn roping trees are unconditionally guaranteed for five years against any type of roping and riding your customers do. All roping saddles are built on the famous Steele tree covered in fiber glass which will not decay, draw moisture, and is lighter and stronger than any tree on the market today. We are proud to be the only company now and first to introduce this fine tree to the American people. We have now more than 325,000 satisfied customers riding in saddles built on the Steele tree. The Steele tree is built exclusively for the Chattanooga Saddlery Co., Inc. and for the past seven years we have worked and designed trees and saddles that will fit not only your customer but also their horse.

A few scenes of Big Horn's modern plant and facilities and some of the more than 150 expert craftsmen that make Big Horn riding equipment; which includes saddles, bridles, team harness, pony harness, show harness, saddle pads and blankets, horse sheets, horse blankets, and hundreds of other items we make or job to serve the needs of your trade. Our door is always open and we wish to extend to you a warm welcome to come and visit us here at our plant and see how your Big Horn Riding Equipment is made and finished by expert craftsmen. Remember "For the Ride of Your Life Ride Big Horn."
